Dear Mr. Goldberg,

On April 20, at the request of your Baltimore office, I sent AP two pictures relevant to the assassination of Martin Luther King and its investigation.

They have never been returned and I have never been paid for them.

You have two pictures I would like to have. I propose an even swap. These are two pictures of Oswald with a rifle, NY 51, 12/26/64 and DC2/18/64.

That these were sent AP at the request of the Baltimore office can be confirmed by the city editor of your local member, Bob Harper, who phoned your Baltimore office when I showed him the photos. He also supplied the envelope in which I mailed them and the address.

Sincerely,

Harold Weisberg
